## GATLINBURG, TENNESSEE

Watch the flurry of activity and city lights below. The views from Rodeway Inn Skyland, high above Gatlinburg, are a treat for the entire family. While staying at the Rodeway Inn, you can set your own pace. Whether it's the thrill of skiing down the mountain slopes, hiking the hundreds of miles of trails in the Great Smoky Mountains National Park or the discovery of that "special something" in one of the hundreds of area shops and galleries, Gatlinburg has got it all. Spend a night on the town. Enjoy one of the many fine restaurants, attractions, night spots or amusements in the Smokies. This Gatlinburg motel is also walking distance to Ripley's Aquarium of the Smokies, Ripley's Believe It or Not! museum of oddities and the Gatlinburg Convention Center.

One of the best places to enjoy the splendid views of the Great Smoky Mountains as well as some of the best rates is at the Rodeway Inn Skyland. The surrounding mountains hold any number of happy memories just waiting to be made for you and your family.
